BRINGHURST MEETS DEFEAT

CAMDEN TWO-YEAR-OLD IS BEATEN IN LA TONIA ALLOWANCE RACE.

Hitherto Unbeaten Juvenile Is Led to Finish by Boots and Saddle and Frances M .- Benanet Wins the Merchants' Stakes.

Cincinnati, O., June 21.—Today's card of six races at Latonia, featured by the old-established Merchants' Stakes, was the most promising that Secretary Maginn has offered local racing patrons for some time and served to attract to the course the full quota of devotees of the sport, in addition to numerous first-time visitors, resulting in this being the second best day of the meeting, the patronage being exceeded only by Derby day.

The racing was interesting and spirited, with finishes in some of the contests close enough to suit the most exacting. Diversified support for most of the starters caused good prices to prevail against the winners. Favorites were again in eclipse. Only one first choice, Earbara Lane, succeeded in seoring and her defeat might have been encompassed but for an accident to Caution, while the McDowell filly was leading, and which ruined her winning chances and probably ended her racing career.

The Merchants' Stakes, with its \$2,190 to the winner, was won by the lightly weighted Benanct, with Star Jasmine in second place and Presumption third. Gay Bird was the choice of the smart set and public alike. He ran promisingly for three-quarters and then retired under weak handling. He suffered some interference on the stretch turn when Benance crossed him, but it cut little figure in the result, for the Bradley filly won with much in reserve, in the fast time of 1:38, equaling the track record, held jointly by Sir Huon and Tom Hayward. After the finish Presiding Judge Price suspended McDonald for ten days for rough riding. The Merchants' Stakes was established in 1884, when Freeland won it, and was run continuously until 1897. After a lapse of five years it again became a feature of Latonia racing, although at a different distance than formerly. Its condensed history under present conditions is as follows: Year. Winner. A.Wt. Jockey. Val. Time. 1902 Alard. ... 4 166 Birkenruth \$1,630 1:304, 1905 Red Leaf. 3 86 Radtke 1.750 1:49, 1909 Cymbal ... 4 100 J. Quiss 1.151 1:49, 1909 Cymbal ... 4 100

1913 Benanet ... 3 89 McDan'ld . 2,190 1;38

The Bradley establishment cut a wide swath in today's results. Were in addition to the winning of the Merchants' Stakes by Benanet, Boots and Saddle scored in the third race, in which some shifty youngsters ran. The unbeaten Bringburst was an overwhelming favorite in the betting, but Steele handled him with such poor judgment that he failed to finish better than third. In the carly stages, Steele subjected him to hard usage in an effort to dispose of Ruffles, and he also let him take a bad stumble which momentarily threatened to unseat the rider. An indication of how badly he tired in the last quarter can be gleaned from the fact that he ran it in worse than 27 seconds, after going the first half in less than 47.

The change from Buxton to Henry worked wonders in the running of Samuel R. Meyer and he was a handy victor over the Latonia Derby winner, Gowell. The latter undertook a difficult task in trying to concede much weight to the others, but her admirers had confidence in her ability to do so and installed her the favorite. She ran a good race and might have been harder to beat but for Martin's action in carrying Gowell extremely wide on the last turn.

The closing race resulted in the defeat of Strong

animers and might have been harder to beat but for Martin's action in carrying Gowell extremely wide on the last turn.

The closing race resulted in the defeat of Strong and Star O'Ryan, both of which had been heavily backed, the winner turning up in Supervisor. Strong just succeeded in beating Chartier for second place. Strong was best in the race, but was forced to run wide most of the way.

The opener went to Barbara Lane, which took the lead after Caution retired as a result of being cut down. Bracktown Belle was responsible for Caution's mishap, but it was unavoidable according to those in a position to clearly note the incident.

Richard Dwyer arrived today from Chicago to do missionary work among the horsemen in the interest of the Porter, Ind., track, which has announced a fifteen-day meeting beginning July 3.

Harry Morrissey was today notified of his appointment as starter at Lexington for the nine-days' fall meeting there, beginning September 11. Morrissey will leave next Tuesday for Montana, where he will do the starting at Butte and Anaconda.

J. B. Bespess today traded with G. B. Morris a two-year-old for Console. Mr. Morris will race his string at Butte this summer.

The program and stake book of the Windsor meeting was distributed to horsemen this morning by Frank Bruen, who will serve as auditor at the Windsor track.

Jefferson Livingston made an addition today to his stable by the purchase of Princess Callaway from Raleigh Colston. Mose Goldblatt who is training the Livingston string, is in quest of good material if it can be obtained and will not haggle over the price if the horses suit. He would add Old Rosebud to his establishment except for the cott's small size, which he thinks might millitate against him as a three-year old.

Johnson N. Camden, member of the Kentucky State Racing Commission, was among today's visitors and witnessed the first defeat sustained by his colt. Bringhurst.

W. Raymond will ship five horses, including Casque, to Butte.

Gowell will not be a starter in the Canadian Derby State Racing Commission, was among today's visitors and witnessed the first defeat sustained by his colt. Bringhurst.

WHISK BROOM II. REDUCES BELMONT PARK RECORD IN WINNING THE BROOKLYN HANDICAP

New York, June 21,—That famous race, the Brooklyn Handicap, which in years past was the big
feature of spring racing at the Gravesend track,
was the star number of the seven races down for
decision at Belmont Park this afternoon, and Harry
Payne Whitney furnished the winner in Whisk
Broom II. That crack son of Broomstick, which
had not raced since he won the Metropolitan Handicap after being practically left at the post, never
left the result in doubt today. Joe Notter again
had the mount on him and when the signal was
given he at once sent him in the lead and remained there throughout to win handily. Just
after making the turn into the stretch Whisk Broom
II, began to loaf, but as soon as Notter shook
him up he drew away again to win by a comfortable margin. His race was a wonderfully good
one, for he carried 130 pounds and ran the mile and
a quarter in 2:03% over a track that had been
dulled by rain. This was within four-fifths of a
second of the American record for the distance,
made by Whisk. Broom II.'s sire, Broomstick,
when he won the Brighton Handicap by a head
from Irish Lad. There are many who were inclined
to believe that had the track been at its best today
Whisk Broom II would surely have established a
new mark.

CONTRACTOR OF THE PARTY OF THE					

The condition of the track was a surprise to many, for after a terrific storm last night, it appeared to be a certainty that the going would be heavy. Contrary to expectations, it was in fairly good shape when the racing began, being wet on top in spots, while other parts were perfectly dry. The best thing of the meeting materialized in the fifth race when Early Rose led from start to finish and won easily. Some few were able to secure 10 to 1 against her chances, but the best general price was 5 to 1, and at post time she was a 7 to 5 fuvorite. Early Rose is owned by Alex Smith Cochran, who was recently elected a member of the Jockey Chub and she is the first racer to carry his colors. Unfortunately Mr. Cochran was not at the track to see his colors carried to victory, as he is now in England. Early Rose was purchased from John E. Madden for the reported price of \$12,600. She is entered in England next year. She is also entered in the Astoria Dinner Stakes, which will be decided next week.

Word was received at the track today that the borses which raced in the nearest the present of the Dance.

decided in England next year. She is also entered in the Astoria Dinner Stakes, which will be decided next week.

Word was received at the track today that the horses which raced in the name of the Ramapo Stock Farm, the property of the late Charles Kohler, eighteen in number, will probably be sold at auction on Saturday next, or if not then, just as soon as the court order is given.

"Wally" Fessenden, who was mentioned in a New York daily a few days ago as being a bookmaker, will bring suit against the publication charging libel. When Malaga fell in the steeplechase she landed on top of Jockey Franklin, who had the mount, so that he was unconscious when picked up, but later on he regained his senses, although he was injured to such an extent that he had to be taken to a hospital. Moe fell on top of Malaga and as Sir Cleges lost his rider early in the running, there was no third money in the race, there having only been five starters.

Monday is an off day for the races, but owners and trainers will put in their time at the private stable of James B. Haggin at Sheepshead Bay where the crop of yearlings from the Elmendorf stud will be sold and several two-year-olds from the Hurricana Stud, owned by John Sanford, and some horses in training, will be sold at Belmont Park on Tuesday.

There will be two more free field days during the present meeting, the dates bleing Saturday. June 28, and Saturday, July 5. The field will not be open to the public on July 4. It is likely that the free field arrangement will be continued during the meeting of the Metropolitan Jockey club for the three Saturdays on which that club will race at Belmont Park during the month of July.

the post in that event. Hayes seems to think the distance, six furlongs, will be to the filly's liking, as she came on gamely in her last start on Thursday, when she finished third behind the unbeaten Bringhurst, and E. R. Bradley's high-priced colt, Boots and Saddle. Fillies have been fairly successful in the Trophys. Watoma, the dam of Rudolfo, Relluf and Harry L. won the first running of this race in 1902, while Chulita, owned by A. L. Labold, won it in 1907, and Lady Lightning accounted for it in 1911. E. R. Bradley plans to start Boots and Saddle and in all probability, Bob Black, in the Trophy. Both these colts will have a big pull in the weights in the rich stake over the crack gelding. Old Rosebud. Unfortunately, J. N. Camden's crack two-year-old, Bringhurst, is not engaged in the Trophy, but that stable has four eligibles to the race, including the Breeders' Futurity winner, Imperator, Mr. Camden's other entries are Bermudian, Toynbee and Darbishire, all of which will be entitled to the malden allowance unless they win in the meantime.

NOTES OF THE TURF.

Jockey E. Martin will go to Canada at the clo of the Latonia meeting and afterward to Saratog Jockey Joe Byrne, just back from France, has obtained a riding license from the Jockey Club at New York.

J. O. Keene and F. D. Weir have each saddled the winners of thirteen two-year old races in Kentucky this season.

F. A. Forsythe bred the speedy filly, Theresa Gill, and sold her to C. T. Worthington, her present owner, as a yearling for \$450.

C. Bower Ismay, the owner of Craganour, which finished first in the Epsom Derby but was disqualified, has withdrawn the suit by which hought to enjoin the English Jockey Club and the owners of the three placed horses from paying over or receiving the stakes.

their horses to Saratoga at the close of racing here. Jockey T. Koerner will resume riding next week, according to his persent intention. He has been galloping horses at Douglas Park since the close of racing at Louisville and thinks that he has overcome the effects of his illness sufficiently to warrant a resumption of riding.

Trainer Pete Coyne is gratified over the splendid way in which Free Lance is training, but he will not be raced until he reaches Saratoga.

Round the World will be shipped to Lexington tonight to be rested there until fall. If she does not premise to stand training then, she will go into the stud.

The two-horse combination, consisting of Samuel R. Meyer and Boots and Saddle, paid \$66.75 to thirty-two backers. The field pilayers took the three-horse pool and received \$4.85 for each \$2.

The extent of Caution's injury could not be fully determined today, but every effort will be made to save her.

Although she will have a six-pound penalty in the Cincinnati Trophy, the \$6,000 two-year old event which is to be run on the closing day of the meeting here, on Saturday, July 5, T. P. Hayes will send Minda, the Clipsetta Stakes winner, to

that they had made wagers in a clandestine manner at the track. The names of "Wallie" Fessenden and Max Meyers were brought into the case as having accepted several of the wagers made. It was agreed that there was no solicitation of wagers and no open display of odds.

It is worthy of note that the stallion with most prize money credited him throughout the world in 1912 was one whose progeny raced in the Argentiae—a totalizator country. This was Old Man, by orbit, whose representatives between them won \$237,595. The next highest in the world was Simonian (by St. Simon), with \$165,400. He does duty in France, another country where betting is confined to the machine. Facts like these tend to refute the suggestion that the installation of the machine in Victoria and New South Wales would ruin the thoroughbred industry in those states. The revenue derived from the machine could not otherwise than assist to increase prize money, and consequently add to the value of young stock.—Syndey Referee.

Referee.

We hope that one of these days the President of the United States, members of the Cabinet and both Houses of Congress, the governors of our states and the mayors of our cities will come to recognize the importance of maintaining the high character of racing and thereby promote the breeding of horses and lend their presence to important events, such as the opening of Belmont Park. This is the case in all the other important nations as, for example, at Epsom on Wednesday and Friday the King and Queen were booked to be present, with the addition of the following members of the royal family: The Duke of Connaught, the Crown Princes and Princess of Sweden, Prince Arthur and Princess Patricia of Connaught, Prince and Princess Christiau and their daughters, Prince and Princess Alexander of Teck and the Heriditary Grand Duke of Mecklenburg Strelitz.—Rider & Driver.

QUALIFICATIONS FOR A STARTER.

Opinions differ as to the class of man likely to make a good starter, but it is interesting to note that one prominent English writer reckons that a cavalry sergeant accustomed to lick into shape a lot of recruits, and, more important still, a lot of raw horses every year, would fill such a position satisfactorily. It does not follow, however, that such would be the case, as drilling recruits and raw horses is a very different thing to dealing with alert jockeys and spirited thoroughbreds. The cavalry sergeant might be just a trifle too slow thinking for the latter class of work, no matter how he might shine in his own line. You cannot look to any particular class and say that you are bound to get a good starter from it. Trials of ex-jockeys and trainers have demonstrated that, while, on the other hand, men who had no close association with horses have met with more than average success as starters.—Sydney Referee.

OTTAWA RACING A SUCCESS

INAUGURAL MEETING AT CANADIAN CAPITAL BROUGHT TO AN.AUSPICIOUS CLOSE.

Sport Has Been Patronized by Best People of Locality-Towton Field an Easy Winner of Closing Day Stake.

Ottawa, Ont., June 21.—The inaugural meeting of the Connaught Park Jockey Club came to a close with the running of today's program. The introduction of racing in Ottawa has been an unqualified success and Manager Rohrback and his associates have been complimented for the splendid manner in which the meeting has been conducted. The horsemen today presented to Mr. Rohrback a handsome piece of plate as a token of their appreciation of the many courtesies shown them during the meeting. The attendance has shown a steady increase since the opening and today's crowd was of record proportions. The meeting has been generously supported by the best people of Ottawa.

The program for the closing day was made up of seven races, with the Merchants' Selling Stakes, a dash of one mile, \$1,500 added for three-year olds and over, as the feature. A. G. Blakeley furnished the winner in Towton Field, which made a runaway affair of the race, leading from the rise of the barrier and winning well in hand by a length and a half. Pardner was second and Ymir third.

There were two close finishes during the afternoon, one when Big Dipper came from behind and beat Rash a nose and the other when Adolante, a fifty to one shot, beat Fairy Godmother a head in the seventh race. The stable of E. J. MeeGraw accounted for two of the afternoon winners in Big Dipper and Jonquil. The latter beat the heavily backed favorite, Afterglow, half a length after appearing to be hopelessly beaten on the stretch turn.

Bad rides were responsible for the defeat of the first two favorites.

In the opener Montour took Rustling under restraint immediately after the start and handled the mare poorly all the way. In the second race, after beating his opposition away from the barrier, Robbins pulled Marsand out of contention and trailed along in the rear all the way. On Thursday Marsand's owner, S. N. Hexter, together with C. N. Freeman, will ship from here to Vanonver in the same car. They will leave Ottawa on Monday.

Capt. W. F. Presgrave returned to Montreal thi

and a couple of horses belonging to Captain Presgrave.

G. R. Bryson, J. M. Milburn and N. B. Davis will ship their horses back to Delorimier Park.

W. J. McIlhunray purchased at private sale today from J. Gorman the colt Tom Sayers.

The mare Stick Pin was excused from starting in the seventh race. She was kicked while at the post in her previous start by Defy and blood poisoning has set in.

Jockey Nathan left for New York this morning to join his employer, George M. Odom.

Manager Rohrback announced that work would begin on Monday next on the infield. A steeplechase course will be constructed and 12,000 loads of sod will be placed on this part of the course. It is the purpose of the club to feature steeplechasing during the fall meeting.

R. G. Martin put in a claim for Afterglow after he was beaten in the sixth race, but it was disallowed by the judges on a technicality.

FINE MATERIAL FOR FORT ERIE.

FINE MATERIAL FOR FORT ERIE.

Buffalo, N. Y., June 21.—With what is probably the finest list of entries ever received for the feature event, the Fort Erie meeting will open at the track across the river on the afternoon of July 4. The Fourth of July Stakes will be the stellar race of the opening day. This is a mile and seventy yards dash. Thirty-three horses were originally entered for it and it is fair to assume that a large and evenly balanced field will go to the post. Other features to be decided during the first meeting, July 4 to 11, inclusive, will be the Niagara Stakes, Fort Erie Stakes and the Canadian Derby. The latter event will be run on Wednesday, July 9. The special events for the second meeting include the rich Dominion Handicap, value \$5,000, the Iroquois Hotel Stakes, the Grand Canadian Steeplechase and the Canadian Sportsman's Handicap. The entire list for the stake events embrace the best horses in training. For the Fourth of July Stakes Horron, John Furlong, Guy Fisher, Lochiel, Lovetie and Froglegs are among the entries.

The Canadian Derby probably never attracted a finer collection of three-year-olds than this event has. Thirty-nine entries were originally received, among the entries being the following: Gowell, Ten Point, Hawthorn, Horron, Buskin, Leochares, First Sight, Flabbergast and Malamont.

For the other two stakes to be run during the first meeting, the Niagara Stakes, value \$1,500, at five furlongs, and the Fort Erie Stakes, six furlongs, value \$1,500, the entries received exceed the usual number and keen contests are anticipated in the runing of both events. Forty-five nominations were received for the Fort Erie Stakes and forty-nine for the Niagara Stakes.

The rich Dominion Handicap received forty-four nominations, which is close to a record number. Practically every handicap horse of note racing today has been nominated for this race, one of the richest of the year.

Forty-five were nominated for the Iroquois Hotel Stakes, seven for the Grand Canadian Sportsman handicap.

Racegoers will discover many improvements at lee track across the river this season. The grand-tand has been repainted and a new cement walk ow covers the spot where the old betting ring was cated. A number of other improvements have also sen made.

TRULY WINS COEUR D'ALENE DERBY,

Spokane, Wash., June 21.—The running of the richest stake of the season, the Coeur d'Alene Derby carrying a value of \$2,000, took place at Alan this afternoon. The distance was one mile nd one-eighth. The attendance was the largest of the season. Five of the best three-year olds here lined up before Starter Tribe and were sent away to a perfect break. The favorite, Truly, at once fell behind the fast pace set by Tellurium and Vested Rights. The race finally settled down to a contest between the Texas-bred sister to Meadow and the California-bred colt, Orlin Krupa, Jockey Groth sent Truly after the leaders on the turn for home and Warren brought Orlin Krupa up to her flank. When Groth drew his whip on Truly sie gamely responded and drew away to win in time that reduced the track record by three-fifths of a second. The filly and her rider were tendered a grand reception on their return to the judge's stand.
